

WEEK 9 20.11

Humility for the rich

JAMES 4: 13 - 5: 6

MEMORY VERSE

“Instead, you should say, “If the Lord wills, we will live and do this or that.” James 4: 15

What are your plans for the future? Are there things that you dream of doing in the future and things that you're planning to move towards or undertake? Or are there things that we feel God's got planned for us that we discount ourselves from? It's good to have plans and to dream, but we need to hand everything over to God. Our plans for the future are not dependant on our finance or wealth, they are dependent on God. We plan, but we lay everything at His feet and 'if He wills' then that's what we will do!
